Ak-Chin students enjoy 2021 graduation ceremonies

To say we've come a long way since March 2020, is such an understatement, especially for those who have had to make numerous adjustments this past year. Students in particular, have had to bounce back and forth, from being home schooled, returning to in person learning, and then the roller coaster quarantine that kept them out of school and stuck at home for what seemed like forever.

They also missed out on socializing with their friends, and the opportunity to participate in school activities, clubs and sports, which may have also hindered a possible scholarship. Some even experienced COVID on a personal level, and some also had family tragedies due to the pandemic. It was a very rough

year for our students. But now, it is time to gather together and celebrate their achievements.

The Community is extremely proud and honored to say "CONGRATULATIONS" to the many Ak-Chin students who worked so hard to be able to participate in their graduation ceremonies. In all, we had over fifty students walk across their school stages recently and receive diplomas for promotion and graduation. A long list of eighth graders will soon be joining the high school ranks and over 20 high school students turned their tassels and will soon be looking towards a bright future, with diploma in hand.

Ak-Chin Advisor-Tutor, Matthew Tess had the opportunity to attend the

graduation ceremony for Community member, Jilayne Miguel.

"I attended the Betty Fairfax ceremony at the Veteran's Coliseum in Phoenix on May 20th and the Phoenix Union Native Graduation Celebration on May 15th. The Native Graduation Celebration was very well done. It was good to see Phoenix Union recognize their Native students in a private ceremony (outside of the individual school celebrations)." Matt shared.

"Our very own Jilayne Miguel even spoke during the ceremony. As for Betty Fairfax, it was good to see students graduate in-person again. Due to the graduation being "invite only", the Coliseum had screens set up in

the parking lots for extended family."

Matt was also on hand to witness our eighth graders promote at Maricopa Wells Middle School on May 24th and Desert Wind Middle School on May 25, at the Maricopa High School football Field.

"It was a good ceremony to celebrate the promoting 8th graders and a lot of comments about the relationship between Maricopa Unified and Ak-Chin over the years... One thing that stuck out the most was the retirement of David Foster; a teacher who had an extensive impact not only on the students he taught but, on the staff, as well."

May 26 was the big day for

all seniors graduating from Maricopa High School. It was extra special for our Native students as well, as Ak-Chin Language Program and former Vice-Chairman Gabriel Lopez were asked by Ak-Chin Student Counselor Teresa Valisto, to provide a blessing and sing a song, earlier that day.

Ak-Chin Chairman Robert Miguel also participated in the Maricopa high school and middle school ceremonies, speaking to the students about their future and success. He was on hand to give diplomas to all Ak-Chin students.

Many graduates paid tribute to a loved one during the ceremony, like Reginald Delores who had pictures of his late mother Paulina Delores

On March 26, 2020, the Ak-Chin Indian Community issued a declaration entitled "Declaration of the Ak-Chin Indian Community Proclaiming a State of Emergency Due to the COVID-19 Outbreak."

In addition to the March 2020 Declaration, many Orders of the Chairman were issued. On June 17, 2020, the Chairman ordered a limitation on large events and mass gatherings of no more than (10) people, which was amended on July 1, to include and establish a curfew.

Even though the Community of Ak-Chin

is smaller than many of the other Arizona tribes, adhering to the strict limitations and restrictions was very challenging, especially for our elders who relied on face to face communication, while others utilized phone technology and social media to keep in contact. Another Order that struck hard with the youth was the Order issued on April 8, 2020 directing the closure of the Ak-Chin Indian Community Parks and Recreational Facilities. The Chairman implemented another Order on March 1, 2021, amending the June 17, 2020 order to prohibit

wakes and establish new and additional Ak-Chin Cemetery and Burial Procedures. This Order was extremely devastating to those who lost family members during the peak of COVID, as funerals were kept to a minimum and wakes were forbidden.

With questions from the membership on reopening and lifting restrictions and the significant progress that has been made with COVID testing and the abundant availability of the COVID vaccines, Ak-Chin Council is now moving forward to slowly and safely open up the Community.

Opening up Ak-Chin

Story by R. Peters

"Right now, the Community has moved in lifting certain orders that were in place during the height of the pandemic." Chairman Robert Miguel shared.

Council, the Ak-Chin Incident Management Team and staff from Gila River Health Care have been instrumental in providing information and recommendations for a safe reopening that is in the best interest of the Community's health.

One of the first things Council addressed was ending the Partial Closure for Community departments, which had been extended for several months. On May 17, 2021, employees were to return to work at Phase I or 50% status. They also provided a return to work policy for their departments. Many departments have had staff working on a regular basis, such as fire, police, Vekol Market, Sanitation and Elder Program.

Council has graciously

allowed Administrative Leave pay for all full-time community employees since January 2021. They also paid Community, Harrah's and UltraStar (now Ak-Chin Circle) employees with Admin Leave, when the community first closed, from March to May, 2020.

Council has also rescinded the order directing the closure of Ak-Chin Parks and Recreational facilities, as well as "allowing community gatherings, full wakes and funerals to continue, normal curfew hours and enterprises opening at 100% just to name a few." Chairman stated. "All of this is to move forward of course with safety guidelines that are still in place. This is not the full opening that we were accustomed to prior to the pandemic, that familiar opening will not occur until we receive recommendations and guidance from the CDC and other sources that the community has

continued to work with thus far."

With the reopening of Community departments, Ak-Chin Recreation has announced the pool is open as well as the facility by appointment only. The Him-Dak Museum Arts Program and Ak-Chin Child Development have announced summer classes. Ak-Chin Circle is opening more movie theatres and extending their hours. Harrah's and Ak-Chin Circle have also advertised for future entertainment.

Council has been very diligent in keeping the Community safe, and asks for the Community to do this same.

"I understand the urgency of wanting to move forward with opening at 100%, but the community and membership have done a tremendous job of abiding to and understanding policies, guidelines and procedures in place for over a year now."

Nutrition Education Program comes to end

Submitted by: Candace Allcott, ElderCare Worker Supervisor

Above, a nice insulated bag, portion plate, magnetic meal planner, pedometer and cutting board were some of the incentives received for completing the Expanded Food and Nutrition Education Program. EFNEP was offered through the Ak-Chin Elder program and University of Arizona Cooperative Extension.

(May 25) This week marks the end of this year's Nutrition Education Program.

Elders and Caregivers who participated will receive a graduation certificate and a parting gift!

The last couple of years the Elder Center has partnered with the University of Arizona Cooperative Extension to provide their Expanded Food and Nutrition Education Program. (EFNEP)

This year we had over a dozen Elders who participated and completed all 8 weeks of the course.

Each week Elders received an education packet which included a test. The test was returned each Friday for credit.

Elders who returned the test received a prize. A few of the items they earned included

a set of measuring cups and spoons, a meat thermometer, and a snack cup and sandwich spreader.

We would like to thank the Elders who participated. This assists the Center in fulfilling the nutrition education requirements for our grants. Next month we will be concentrating on getting our Caregivers recertified in CPR and First Aid. Watch for a notice and call in to sign up. Classes will be limited with Covid restrictions and precautions.

Depending on the level of interest, we will hold them weekly or bi-weekly until we get all our unpaid Caregivers and Grandparents raising Grandchildren certified. If you are a paid caregiver you can sign up on a reserve list and we will contact you if we have room for an extra participant.

Ak-Chin Health Education has a strong presence for May the 4th

For two weeks members and employees from all galaxies were invited to participate in Ak-Chin Health Education's Second Annual "MAY THE 4TH BE WITH YOU" virtual events.

Once signed up they recorded their walk/run distance and time using a fitness app, then sent a screen shot of their event results for proof of their virtual participation, to Martina Guy-Peters, Health Education.

Martina sent out a thank you to everyone, "for continuously aiming to put forward your best effort; whether it be waking up early before work to complete walk, or working on improving your walk and run times. **THANK YOU!** Your hard work truly shows."

Martina then tallied up all the results and shared all top finishers:

Once all times were recorded and awards and incentives were ready, Martina sent another email letting everyone know how and when to pick up their

goodie bags. Bags included awards for placement winners, a Star Wars themed t-shirt and stickers, snacks and a breakfast voucher for Vekol Market.

For those who submitted their information in time, they were entered into a raffle for more great Star Wars themed gifts. Raffle items included; Star Wars backpack, beach towel, art kit, slow cooker, protein shaker, Bluetooth speaker, tumbler, chalk set and socks. A variety of gift cards were also raffled.

"Thank you to everyone who participated in the 2nd Annual May the 4th Be With You Events! This event was so much fun to host." Martina shared.

"Health Education would like to thank Vekol Market for providing food to our participants, Waylon Antone for the artwork for the t-shirts, and the continued support and participation of all participants. Everyone did an amazing job completing their walk/run! We look forward to hosting our next event... Stage Run... please look out for information soon."

on his graduation cap. Tommy Jensen, acknowledged his late grandfather Justin Romo, Sr. as he raised his hand and pointed towards the sky. Laila Gardner also decorated her cap in honor of her late uncles, David Peters, Sr., Norbert Peters, Sr., and her cousin Norbert Peters, Jr.

Although, the ceremonies were not as long as those in the past, with strict restrictions on gatherings and limitations on guests, graduates were still able to physically enjoy the live ceremonies, with friends and family looking on. Virtual viewings were also available for many of the ceremonies, for those who were not able to attend.

Many of our students celebrated their graduations out of district. Unfortunately, the Runner did not attend, although many family members graciously shared photos. Thank you to all who submitted photos. We are still hoping to receive photos from ceremonies that we did not get in this issue. We don't want to miss anyone so please send photos and information to us, so we can celebrate your graduate's special day in the Runner. Photos and information

can be emailed to:

We would like to acknowledge and thank Mr. Victor Moreno and Mr. Gabriel Lopez for sharing many of the photos you see in this issue. We would also like to thank Education staff members Teresa Valisto, Matthew Tess and Tera Thornton, Ms. Armonda Santiago, and Chairman Robert Miguel for taking pictures, providing names, and pointing us in the right direction to find students and obtain photos.

Hats off to our 2021 graduates, and respectful nods to our 2020 graduates, who unfortunately, had to settle for a virtual ceremony, drive-by diploma pick up or joined in with this year's ceremonies.

Each and every one of our students deserves a huge round of applause, congratulatory hugs, pats on the back and gifts galore, for being such strong and determined young minds. Kudos to all the parents, grandparents and guardians as well, education and parenting were twice as tough this year.

You all truly deserve to fully enjoy your summer with family, friends and plenty of safe celebrations!!

Language Department visits with Native Graduates at MHS

Photo and story submitted by Language Department

On May 26, 2021 Mr. Gabriel Lopez and the Ak-Chin Language Staff (Felicia Vincent, Velacita Lopez, Lerline Peters) received a request from Ak-Chin Advisor Teresa Valisto, to provide a Blessing and sing a traditional song for the 2021 Maricopa High School Native Graduates.

Before the Blessing, Mr. Lopez and Lerline Peters, shared some encouraging words of a

job well done.

Being online was a challenge for the students, but with all the encouragement, praise from family and friends, it helped them to accomplish their goal in life. Never give up, always push yourself and you will succeed.

Congratulations, "We Are Very Proud Of All Of You."

-Skye, we are so proud of you! You persevered and proved to yourself that you can do anything you put your mind to. Many thanks to your teacher, Mrs. Garcia, for giving you the tools for success. Keep being amazing throughout your educational journey and watch your dreams come true!

We love you - Momma and Mommy

To my Beautiful daughter Desiree Bernal congratulations class of 2021 Maricopa High School. You can achieve whatever you want in life as long as you believe. And we believe in you! Congratulations, Desiree. You know what makes your graduation extra special? It's having watching you grow up, having so many good memories of you and knowing all the challenges you've worked through to get to this day. I'm so proud of you. You've come a long way since you were that frightened little girl on your first day of kindergarten. Look at you now! We are so proud of you.
Love mommy and Marky

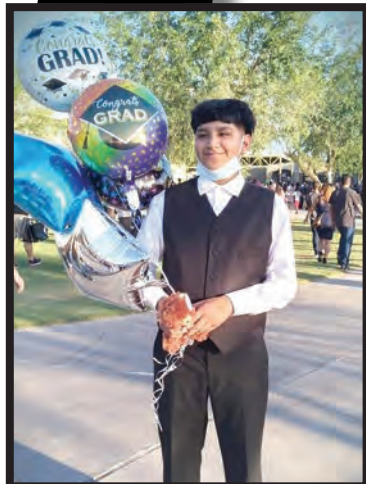

Congratulations to Daria Garcia on your 8th grade Promotion from Desert Wind Middle School!

We know it was a bit tough the past three years to get thru all the challenges of middle school and we are so proud of you to see that you overcame all of that and finished with a smile on your face knowing you are capable to do anything to accomplish your goals. Next step now is High School. Now, there is no need to "grow up" too quickly :0) but enjoy your high school years as we all know that them years will go by quick. Just know you made us very proud because you are our "baby" and as always, we will be there to guide and support you on what your heart is set on. We love you very much! And again Congratulations!

Happy Summer

Staying Hydrated
During this time we should all keep hydrated, water is our best friend. Important roles of water

- Control body temperature
- Digesting food
- Eliminate waste in body

How much should my child drink?

- Children under 8 (depending on size, age, and activity) are recommended to drink 4-6 glasses of water.
- If your child is active they will need more than the recommended intake.

•Dry mouth, cracked lips, constipation, lethargy, dark urine, headaches, poor concentration, and thirst are all signs of dehydration

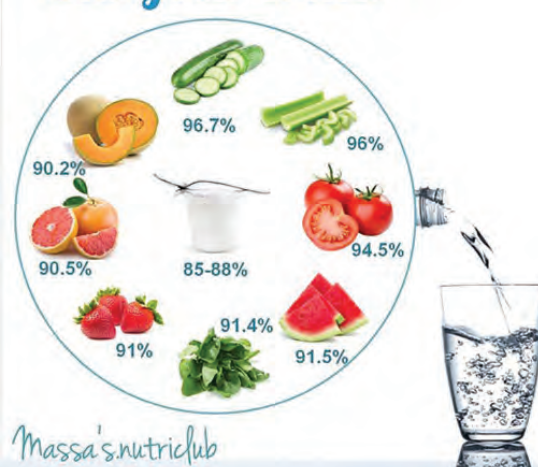

Tips

- Encourage your child to drink water/ offer water with meals
- Add slices of fruits to water (lemon, orange, strawberry, etc.)
- Let your child choose their own

water bottle/serve water in colorful glasses or cups

- Add ice cubes or put water in refrigerator to cool down
- Be a role model and drink water with your child(ren)!

Eat your water

Opening continued from front

Chairman shared. "Please continue to stay safe and healthy and follow all steps in place."

Another question that has come to Council is the opportunity to

have dances in the community. "At this time, Council has not allowed dances to resume, but may change in the very near future, which again will be dependent on our continued great numbers of testing and vaccinations."
