Mr. and Mrs. Lawrence Antone celebrate Golden "50"

Story and photo by R. Peters

It was such a blessing and honor to witness the 50th wedding anniversary of one of Ak-Chin's most devoted couples, Lawrence and Sally Antone, who celebrated along with family and friends on Saturday, January 5, 2019.

Fifty years of marriage, 18,250 days strong and still going for Lawrence and Sally who first met at St. John's Indian School, where they were introduced by Lawrence's cousin Delphine Celestine in 1964.

"They were just friends up until 1968, when my dad went into Maricopa and saw an Indian man and asked if he knew my mom and he said yes and then my dad asked if he could take him to my mom's house, so he did; the Indian man was Harrington Antone." shared their daughter Marla Antone. "From there they started dating, my dad would take her to go eat or to a dance."

The two fell in love and got married on January 4, 1969, at Santa Cruz Village on the Tohono O'odham Nation, and have since shared their lives with eight wonderful children, twenty-two grandchildren and one great-grandchild.

The celebration was held behind the homes of their children, Marla and Alvin, in the community; guests were seated at tables that were beautifully adorned with gold decorations, as was the dance floor. Beside the gift table two large photo displays of the couple were set up for guests to sign and share their well-wishes.

The day began with a rosary and blessing performed by Sally's sister Elena Norris. The family provided a delicious traditional meal and wonderful line-up of entertainment that included a mariachi group from Tucson and traditional singers and dancers.

The evening was made extra special as many of their grandchildren honored them with song and dance. Noahli shared a song for her grandparents, whom she's been singing with at church and other occasions. Little grandson Abraham also wanted to share some traditional songs for them, as he and his dad Tony sang with the Anegam Dance group. Granddaughters Imani and Kyra came down from Coeur d'Alene, Idaho; Kyra did a Fancy

Dance. Mimicking a butterfly, it is an expressive dance – feelings from the heart, while Imani performed a Jingle Dance, for healing and to offer blessings.

Ak-Chin Youth Council also presented that evening, as more grandchildren who have been part of the youth council performed traditional song and dance. Lawrence and Sally both participated in one of the longer social dances, showing the young ones they still got it!

Lawrence and Sally have not only been blessed with a long and prosperous marriage, they have also raised a brilliantly talented family as you can see. Although, not all children or grandchildren were able to share their talents that evening; as many are talented artists, athletes and musicians; they honored their parents-grandparents by being appreciative and supportive of the special occasion.

During a break in entertainment, the happy couple was asked to come forward on the dance floor by Sally's sister Stella, who then invited all their children and grandchildren up, introducing each little family.

Afterwards, Stella asked if the couple would like to share their secrets for successful marriage. First, Lawrence shared how the event that was planned as a surprise and had to be told to the both of them, as they were asked to sing at two other functions on that weekend, something the couple has been dedicated to doing for many, many years.

Once the cat was out of the bag, Lawrence and Sally still honored one commitment and were excused from the other, which put their family at ease, knowing that the two would be present for the grand festivities planned.

Lawrence and Sally shared what has kept their marriage and faith strong all these years, as they gave thanks to the "Big Man" upstairs for guiding them and teaching them to love one another, and honor their sacred vows, as well as thanking one another for standing strong beside them throughout the years, and their families for all their love and support.

Health Education's 2019 New Year's Resolution 5K

Story and photo by J. Peters

All the finalists pose for a photo at the end of the New Year's Resolution 5K.

A good number of people came out to get a healthy dose of fresh air and a healthy dose of activity to start the day and new year off right, as they participated in a New Year's Resolution Run 5K.

Gathering in the Ak-Chin Service Center, everyone headed towards the sign in booth to check-in and receive the complimentary New Year's Resolution Run 5K shirt provided by the Ak-Chin Health Education department.

Some participants were also given the opportunity to try out a new pedometer device the department is testing for future. The device would of course track how many steps are being taken, and would also record the time it took the participant to finish the set course.

Once everyone and everything was a go, Health Education Director, Marc Matteson gave a good morning greeting and thank you to everyone for joining in on the fun. Attention was then given to

Chairman Robert Miguel who gave a cheerfully welcoming pep talk to all in attendance.

Moving closer to the starting time, the new 2019 Miss Ak-Chin Elaina Enos and Jr. Miss Ak-Chin Jilayne Miguel gave a prayer before everyone was escorted to the starting line.

At the starting line Mr. Matteson explained to the rally of eager runners and walkers who awaited to get going, where the 5K route would be going, ensuring that water would be available to everyone on the course, which was being distributed by the Ak-Chin Security at a checkpoint.

With a ready, set, go from Mr. Matteson and Fitness Instructor Dwayne Yazzie, time started and everyone was on their way to completing their first community event of the year. Heading down Farrell Road and turning onto West Vekol Road participants maneuvered through the path

straight to the cotton fields where everyone would then turn left once reaching the water station, still making their way through the cotton fields and pecan trees.

After completing the active course everyone met back up in the service center for a nice breakfast bar consisting of hearty oatmeal with choices of yummy toppings, different kinds of cereal, a selection of cold milks and fresh fruits.

While everyone was enjoying their well-deserved breakfast the Health Ed. team was gathering the collected data from the event to determine who would place in the award ceremony. Once the final tallies were made the awarding began, starting with the youngest age group to the golden years. Medals of first, second, and third fastest time completions were handed to the title holders thus finalizing the Health Education departments first big event of the year.

Golden 50 continued from front page

Congratulations to Lawrence and Sally Antone on your Golden Anniversary. May you both be blessed with fifty more strong and happy years together, and a thank you to the family for allowing us to be part of this special day!

We the family of Lawrence and Sally Antone would like to thank all who were able to come out and celebrate our parent's 50th anniversary. We can't thank our parents enough for what they have done for each and every one of us, so this was the least we could do to show our appreciation to them.

Thank you to the Jose Family for preparing the food, Tanya Miles for the menudo, also would like to thank Mariachi Alma Mexicana from Tucson, Anegam singers, Ak-Chin Youth Council, Noahli Antone, Imani and Kyra Antone for sharing their songs and dances. Also, to all of our family members aunts, nieces and nephews who helped out in any way they could, we appreciated it.

We tried to reach out to as much people as we could without spoiling the surprise, so we apologize to anyone we didn't contact. In the end we ended up having to let our parents know so we used social media to try and reach out to everyone else we didn't get to invite.

Hearing some of the struggles they shared that evening showed how much 50 years is a blessing not only to them but to us as their children.

"Mom and Dad, we know we don't say this enough to you but know that we LOVE and APPRECIATE You Both from the bottom of our Hearts!"

Your children; Dwayne, the late Josephine, the late Albert "Albe", Clayton, Marla, Alvin, Waylon, Melanie and families

Drought Contingency Plan and the Community

Submitted by: Ed Gerak, ACES Consultant

There has been a lot of media coverage lately about the Drought Contingency Plan (DCP), the seven Basin State's attempt to avoid a shortage declaration on the Colorado River. But despite their efforts, it looks like Lake Mead will be in a Tier I shortage in Water Year 2020. The forecast for Lake Mead is that it will finish this water year at 1072' in elevation. After 18 years of drought, and persistent over withdrawals by the Lower Basin, Arizona is facing the harsh reality of water shortages on the Colorado River as early as this October.

With the proposed Drought Contingency Plan by the State of Arizona, Ak-Chin Energy Services is working to reduce any impact to the Community. The state has until Jan. 31 to adopt a plan. After that date, the US Secretary of Interior may decide future water cuts.

could mean that Hoover and CRSP costs could increase by 15% and 20% respectively. There is the possibility of states using Intentionally Created Surplus, which could offset some of the losses, but we will need long term precipitation and conservation to get us out of this situation.

Multiple entities have offered to help mitigate the DCP, with Gila River Indian Community being the biggest contributor of a total of nearly 330,000 Acre-Feet over the span of five years. The value of the water has been estimated at \$180 to \$240/Acre-Feet.

this loss, so they agreed to California's hostage demands.

The Colorado River Compact, signed in 1922, was driven mostly because the Basin States feared California's insatiable appetite for water. Arizona protested the compact for 22 years, but finally signed in hopes of aiding in the development of projects for the state. Ninety-six years later, and at least three agreements to the contrary, California continues to take more than their allotment. My initial investigation suggests that if the Lower Basin had just taken their allotment over the last 10 years, there is a good chance that Lake Mead would be at 1135', a whole 60' above the current Tier 1 threshold.

While it might seem surreal for the Community to suffer any impact given their priority, some projections show that Ak-Chin may be impacted by a reduction of 1,440 Acre-Feet in Water Years 2023 and 2024 as Lake Mead is projected to be in Tier 2(b) shortage. In Water

Year 2025, Lake Mead could reach Tier 3 shortage status, causing a reduction of 4,718 Acre-Feet in that year and the next. The total impact could be as great as 12,316 Acre-Feet over four years.

Water is not the only possible impact to the Community. Hydropower is based on the elevation of the lake behind the dam and the water through the turbines. The drought has continually reduced the lake levels at Mead and Powell, and now the Tier 1 shortage is threatening to have a major reduction in water through the turbines at Glen Canyon and Hoover. My estimates are that Hoover power will be reduced by 13.7% next year. CRSP could be reduced by 16.7% as well. This

While Ak-Chin Energy Services developed the Resource Conservation Plan to help the Community be good stewards of their resources, it always kept the monetary impact to that it could bring to Ak-Chin in mind.

As the cost of power increases, conserving power could offset the rate hikes the Community will face. Water conserved at the tap could be used to grow more crops, develop more economic opportunities or marketed to mitigate the DCP impacts.

As we begin 2019, we ask that you resolve to conserve water and power.

Recognizing the academic and Character Counts achievements for the second quarter, Saddleback Elementary School held two back-to-back awards assemblies on Thursday morning, January 10.

The first assembly was for the 3rd to 5th grades. After the presentation of awards, Saddleback's second grade classes, dressed in orange t-shirts, filled the steps of the stage to sing a song to students and parents gathered. Some students also showed their dance moves.

LEFT: Second grader King Peters sings with his class during the Awards Assembly.

The song was in recognition of the character, "Fairness." The song encouraged students to remember the trait and how to be fair to others. For the second assembly, the second grade group performed the song before the awards were given out.

Receiving recognition were Ak-Chin students: Emma Enos, Thonya Florez, Abraham Jose, Estalynn Lopez, Narin Lopez, Cecil Miguel, Jr., Auciana Miguel, Jeaney Narcia, and Maverick Santiago.

Congratulations students!

Play is a young child's most important work

Submitted by First Things First of Pinal County

When a baby bats at a mobile overhead, a toddler stacks blocks and knocks them down over and over or a preschooler dresses up like a firefighter and battles an imaginary inferno they aren't just having fun, they are learning.

A child explores and makes sense of the world around him through play. In fact, research has shown that play impacts everything from physical abilities and vocabulary to problem solving, creativity, teamwork and empathy.

Playtime is so important that recently the American Academy of Pediatrics issued a report urging pediatricians to prescribe play for children in their care. "Play supports the formation of the safe, stable, and nurturing

relationships with all caregivers that children need to thrive," the report said.

Play supports many aspects of physical, intellectual and social-emotional growth. For Kathy Hirsh-Pasek, who co-authored the academy's report, she challenges adults to change the lens of how they view play and playful learning.

"Play helps us learn. Play helps us cope. Play helps us socialize," Hirsh-Pasek said. "It's not the opposite of work. We learn via play, not work versus play."

First Things First encourages parents and caregivers to realize that their role as a child's first teacher should be to honor – and encourage – how children from birth to age 5

learn through play.

For example, playing with ordinary household items allows kids to explore their world and found objects. With babies, it's something as simple as grasping an object and holding on to it. As a toddler, your child may begin to arrange objects, which eventually turns into sorting and classifying them. This allows the child to develop thinking, reasoning and problem-solving skills.

Symbolic play starts early when babies begin playing with sounds and eventually turn them into words. And research shows the importance of language development to a child's future academic success. A child's vocabulary, attention and general knowledge at ages 3 and 4 are good predictors of reading

comprehension levels at ages 9 and 10.

Socio-dramatic play is easy to spot. Many children dress up and pretend they are someone or something else, for example, pretending to be a dog. Researchers say this pretend play is the basis of children's developing social understanding.

Here's what you can do to encourage play:

- Advocate for play – open your home and schedule time for play. Re-evaluate your child's schedule to make sure there are plenty of opportunities and time for play.
- Provide the resources for stimulating play – not necessarily toys, just plenty of varied objects

visible to children. Then, let their creativity take over.

- Join in the fun, but let your child take the lead. You may think you look silly, but you are expanding your child's learning.
- Encourage your child to use his imagination.

For more ways on how parents can support their little one's development and learning through play watch FTF's short video at <http://bit.ly/FTFplay>.

Parents and caregivers can help children reach their full potential. It starts with embracing the huge value that play has in helping children learn critical skills that are essential for their future.

All the benefits of music and reading, plus loads of fun with your baby!

Baby Time is intended for parents to socialize their babies & learn early literacy skills while having fun.

Support the early stages of language development.

Baby

Reading to babies gain active listening skills.

Babies will be exposed to numbers, letters, colors, and more.

Time

Music & movement provide opportunities for motor skills development.

Protecting against influenza can begin with flu shot

In its recent weekly influenza surveillance report, the Center for Disease Control (CDC) has reported that the influenza activity for Arizona has reached widespread status. The most affected counties include Maricopa county (Phoenix area), Pima county (Tucson area) and Pinal county which Ak-Chin Indian Community is located.

Flu season in Pinal county, which began last year, has a season-to-date count of 479 cases, not including cases of those that do not visit doctors or clinics. Initial flu reporting at the beginning of the season were Type B, but since December, increases in the Type A/H1N1 virus has been identified.

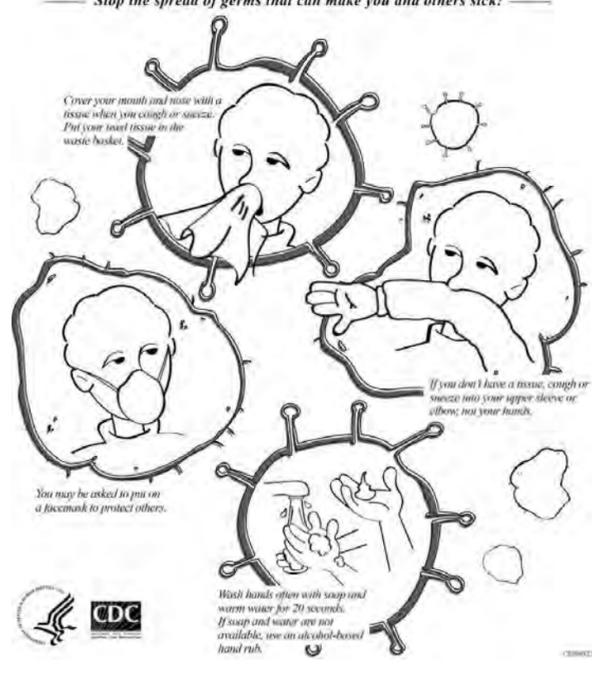

Because of the widespread status, it is encouraged that obtaining a flu vaccine will aid in reducing the flu effects. The following are recommendations from the CDC:

Take time to get a flu vaccine.

- CDC recommends a yearly flu vaccine as the first and most important step in protecting against influenza and its potentially serious complications.
- While there are many different flu viruses, flu vaccines protect against the 3 or 4 viruses that research suggests will be most common. Three-component vaccines contain an H3N2, an H1N1 and a B virus. Four component vaccines have an additional B virus component.

Cover your Cough

— Stop the spread of germs that can make you and others sick! —

(See Vaccine Virus Selection for this season's vaccine composition.)

- Flu vaccination can reduce flu illnesses, doctors' visits, and missed work and school due to flu, as well as prevent flu-related hospitalizations.
- Flu vaccination also has been shown to significantly reduce a child's risk of dying from influenza.
- Also, there are data to suggest that even if someone gets sick after vaccination, their illness may be milder.
- Everyone 6 months of age and older should get a flu vaccine every year

before flu activity begins in their community. CDC recommends getting vaccinated by the end of October. Learn more about vaccine timing.

- For the 2018-2019 flu season, CDC and its Advisory Committee on Immunization Practices (ACIP) recommend annual influenza vaccination for everyone 6 months and older with any licensed, age-appropriate flu vaccine (inactivated, recombinant or nasal spray flu vaccines) with no preference expressed for any one vaccine over another. (See Types of Flu Vaccines).
- Vaccination of high risk persons is especially

important to decrease their risk of severe flu illness.

- People at high risk of serious flu complications include young children, pregnant women, people with chronic health conditions like asthma, diabetes or heart and lung disease and people 65 years and older.

Vaccination also is important for health care workers, and other people who live with or care for high risk people to keep from spreading flu to them.

- Infants younger than 6 months are at high risk of serious flu illness, but are too young to be vaccinated. Studies have shown that flu vaccination of the mother during pregnancy can protect the baby after birth from flu infection for several months. People who live with or care for infants should be vaccinated.

Take everyday preventive actions to stop the spread of germs.

- Try to avoid close contact with sick people.
- While sick, limit contact with others as much as possible to keep from infecting them.
- If you are sick with flu-like illness, CDC recommends that you stay home for at least 24 hours after your fever is gone except to get medical care or for other necessities. (Your fever should be gone for 24 hours without the use of a fever-reducing

medicine.)

- Cover your nose and mouth with a tissue when you cough or sneeze. After using a tissue, throw it in the trash and wash your hands.

- Wash your hands often with soap and water. If soap and water are not available, use an alcohol-based hand rub.

- Avoid touching your eyes, nose and mouth. Germs spread this way.

- Clean and disinfect surfaces and objects that may be contaminated with germs like flu.

Take flu antiviral drugs if your doctor prescribes them.

- If you get sick with flu, antiviral drugs can be used to treat your illness.
- Antiviral drugs are different from antibiotics. They are prescription medicines (pills, liquid or an inhaled powder) and are not available over-the-counter.
- Antiviral drugs can make illness milder and shorten the time you are sick. They may also prevent serious flu complications.

- CDC recommends prompt antiviral treatment of people who are severely ill and people who are at high risk of serious flu complications who develop flu symptoms.

- For people with high-risk factors, treatment with an antiviral drug can mean the difference between having a milder illness versus a very serious illness that could result in a hospital stay.

- Studies show that flu antiviral drugs work best for treatment when they are started within 48 hours of getting sick, but starting them later can still be helpful, especially if the sick person has a high-risk health condition or is very sick from flu. Follow your doctor's instructions for taking this drug.

- Flu-like symptoms include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue. Some people, especially children, may have vomiting and diarrhea. People may also be infected with flu and have respiratory symptoms without a fever.

For more information please visit www.cdc.gov.

The Ak-Chin Health Clinic offers the flu vaccine.
Located at 48203 W. Farrell Road, the Clinic is open from 8:00 AM to 5:00 PM daily.

AK-CHIN FARM BOARD MINUTES

Ak-Chin Farm Board Minutes August 28, 2018

Regular meeting was held in the Council Trailer on August 28, 2018. Meeting called to order at 10:05.

Board Members Present: Earl Justin, Charlie Sanchez, and Bob Roth (Conference Call), Cecil Peters, Absent, due to other commitment, (Excused). Also Present: Steve Coester, Farm Manager and Olesya Nelson, Accountant.

A motion by Charlie Sanchez to approve the meeting agenda was seconded by Bob Roth. The motion passed by a vote of 3 for, 0 against, 1 absent, the foregoing motion was approved.

A motion from Bob Roth to approve the meeting minutes for July 31, 2018 was seconded by Charlie Sanchez. By a vote of 3 for, 0 against, 1 absent, the foregoing motion was approved.

Reports

- Olesya Nelson presented the Farm Financial Report to the Board.
- Steve Coester presented the Farm crop report. Steve also said he received notification that USDA will be providing assistance for Farmers Impacted by Unjustified Retaliation (Tariffs). It could provide funding for the Farm's cotton and pecan crops.

Old Business

- There was no old business discussed.

New Business

- Steve Coester presented the current situation regarding the quality of water being delivered to the Farm. MSIDD is to deliver the Colorado River (CAP) water to the Farm however, their current policy is to limit the amount of CAP water and replace it with pumped ground water which is of a much lower quality. Steve is working with the lawyers to find a resolution to this problem.

- Steve Coester also presented the idea of adding more sprinklers to the Farm to continue to reduce the amount of water applied compared to flood irrigation. Currently he estimates that the farm has reduced the amount off water applied per acre by about one acre-foot. Steve also felt that there will be continued demands on agriculture to reduce the amount of water it uses in the future.

- Pinal 40 is sponsoring a charity golf classic and they are requesting sponsoring opportunities. Monies earned by Pinal 40 are used to provide funding for youth clubs, scholarships and other agricultural related to youth groups. Bob Roth moved that the Farm provide \$500 to underwrite either a Premium Hole Sponsor or a Putting Contest. This was seconded by Charlie Sanchez and passed by a vote of 3 for, 0 against, 1 absent.

- Steve Coester received an email this morning that requested a donation for the Maricopa A's Baseball Team. This is a traveling team that is being formed and has several players who are members of the Reservation. Charlie Sanchez moved that we donate \$400 to the Maricopa A's to help sponsor the team. Bob Roth seconded the motion and it passed by a vote of 3 for, 0 against, 1 absent.

- There were no other items on the agenda. Charlie Sanchez moved that the meeting adjourn at 11:05. Bob Roth seconded the motion and it passed by a vote of 3 for, 0 against, 1 absent.

Next Meeting Date:

October 2, 2018.

Attest: Cecil Peters, Acting Board Secretary

Approved Date: October 2, 2018

Old Business

- The board selected Justin Zabawa as the new board member. Bob Roth made a motion to approve the selection. Second by Charles Sanchez. By a vote of 4 for, 0 against, the foregoing motion was approved. A memo for the board's decision and letters of interest received, will be sent to community council for review and their final approval.

New Business

- A land lease proposal letter received by Adella and Joseph Zabawa. The board had concerns of legal issues with water per acre, price discussion and opportunity cost. The board decided that more information will be needed. The community council will need to be informed of this proposal and possibly make the final decision due to legalities. This will be tabled for now, until this is discussed with council.

- There were no more items for discussion. A motion from Bob Roth to adjourn the meeting at 11 :25. Second by Charles Sanchez. By a vote of 4 for, 0 against, the foregoing motion was approved.

- Cecil Peters did inform the board that he would not be available for the next farm board meeting.

Ak-Chin Fire wins co-ed employee basketball tourney

Story and photos by K. Morago

Starting the New Year in friendly competitive spirits, Ak-Chin departments and entities participated in a two-day Co-ed Employee Basketball tournament at the Ak-Chin Recreation Center gymnasium.

Five teams gave it their all, and then some for this year's tourney, held Thursday, January 3 and Friday, January 4 evenings. Two days of talent was on display, with games showcasing department team-building and plenty of cardio exercise.

The first game pitted the Ak-Chin Fire department against the Gunners, who were made up of recreation and preschool staff. The Fire department prevailed to go on to play the Harrah's team. Before that game, Gegevho (Bobcats) played against We Tired. Gegevho won the game.

Moving to the loser's bracket, the Gunners played We Tired with the Gunners winning. We Tired posted on Facebook that they tried and enjoyed the chance to play. They were employees from various Ak-Chin departments. For Thursday night's last game, Ak-Chin Fire bested the Harrah's team.

The first Friday evening game, pitted two undefeated teams Gegevho and Ak-Chin Fire. Gegevho earned the win and a break until the championship game. For Friday's second game,

Ak-Chin Fire - CHAMPIONS

a match-up between the Gunners and Harrah's almost didn't start. Missing several players, the Harrah's team watched as five minutes was put on the clock. They were short several female players (two had to be in the game at all times) and the game could have been forfeited.

Ak-Chin Firefighter/Paramedic Renee Boehm is at the free-throw line during the tournament.

Walking in at that moment was HDS Supervisor Erica Manuel who came to support the team. That support led to her actually getting on the court as Luis Carillo got on his knees to beg Erica to play even though she was in her jeans.

With the game clock at seconds to spare, Harrah's hit the court. However, because of the delay, ten points was automatically given to the Gunners. That did not stop a determined Harrah's team. They worked to catch up and were able to get the score to just a single digit, 16 - 15.

In the fourth quarter, after some key three pointers, Harrah's was able to gain a double-digit lead, 28 - 16, winning 38 - 26.

That win had Harrah's up against Ak-Chin Fire. A rested Fire team was an

advantage. While keeping the score to single digits, 11 - 16 in the first quarter, the Harrah's team faced fatigue losing 48 - 56, earning a tournament third place.

Ak-Chin Fire made it to championship, facing the undefeated Gegevho team who they lost to earlier that night.

With each team's roster filled with former high school ballers and extensive game experience, the game was fast paced and had quick scoring. The two teams also knew it was a winner take all tournament so the winner would take it all.

During the game the two traded leads with the score remaining close. Missed baskets benefited Ak-Chin Fire as they prevailed for the championship win 40 - 34. Gegevho placed second. The top three teams earned long sleeved shirts for their efforts.

CHAMPIONS - Ruff Ryders

The 2019 Mens New Year Basketball Tournament was the very first men's tourney to come to the Ak-Chin gymnasium this year, bringing with it many fierce teams ready to play an all-day rez ball tourney.

With the scores being very close and exclusive play time on the court, teams rivaled each other for a win.

Playing for 3rd place was Those Guys vs. AZ Clips. With a close call AZ Clips took the win with a final score of 72-81, leaving Those Guys with a 3rd place victory.

Up next was Ruff Ryders vs AZ Clips for the Championship game. Although, AZ Clips made a valiant effort, they were obviously outwinded from

their previous game as Ruff Ryders continued to ride the boards, winning by a score of 61-55.

AZClips took 2nd place with a smile, and all placement teams were awarded shirts to commemorate Ak-Chin's first men's basketball tournament.

CHAMPIONS - Ball It Up

On Saturday, January 12, the Ak-Chin Recreation Department hosted a New Year's Adult Open Basketball Tournament held in our community gymnasium.

Five women's teams participated in this tournament, teams from Navajo Nation, Tohono O'odham Nation, and Phoenix etc. Teams competed throughout the day to see who

would be taking home the big win.

Team Oh-Yah-Huh and Team Bows & Arrows made it to the final bracket with Team Oh-Yah-Huh taking third place at the end of the game, scoring 48 points to Bows & Arrow's 59.

Team Bows & Arrows went to the champion game It Up. Very intense moments

were had throughout the game with the score close to a tie at one point, but in the end, Team Bows & Arrows would go home with the Runners-up title, losing to Team Ball It Up who outplayed and outscored them by 10, with the final score 49-39.

All placement teams received a New Year's Women's Basketball Tournament shirt as a reward.

Mini Basketball season is in full swing

Photos and story by J. Peters

These kids have some fun during the game.

It's that time of the year, when the kids around the community gather together for a topsy-turvy season of mini basketball. On the night of January 9th, six teams played an exciting set of games against one another, kicking off their first sports league experience of 2019.

It was a long night for the young basketball players as the evening progressed with different sets of teams enjoying their time on the court.

The games were separated into three groups, starting with the youngest teams; team Ak-Chin Golden Eagles and team Ak-Chin Wild Catz who were the first to play; followed by team Ak-Chin Thunder who played against themselves due to an unforeseen forfeit and continuing with a game between Copa Crew and Ak-Chin Raptors.

Ak-Chin Thunder and Ak-Chin Panthers played the final game of the evening.

With cheering support from parents, family and friends these future basketball superstars had all the encouragement they could get.

The games played out like various energetic forces of nature on a mini scale.

Kids were having bursts of laughter and fits of fun during each quarter, while playing to the best of their abilities to score some points for the chance to become a winning team that night.

Although, silliness was had on the basketball court a high amount of kids held a competitive mind set during each game that was played.

Age range did not matter when a winning score was at stake, for some they were as competitive as their parents, playing their little hearts out for the big win.

In the next issue the 2019 Youth Co-ed Basketball League will be featured, so stay tuned.

MHS Varsity Boys basketball continues to struggle

Story and photos by K. Morago

With seventeen players on the varsity boys' basketball roster, only ten came to play at a recent home game against Williams Field. For those in attendance, students, family and MHS basketball fans, they could see the struggle was real for the team that is currently 2 - 15.

Baskets were not going in, bad matchups against the other team and lack of rebounds created an over 30-point deficit with the final score 44 - 77.

Six games remain, with the team playing away for the rest of the month of January. The next home game is Friday, February 1st against Casteel (Queen Creek). It starts at 7:00 pm.

We would also like to thank all the participants for attending our first event of 2019! Happy New Year to all!! Please save the date for the Valentine's Day 5K. It is scheduled for February 9th, 2019.

Thank You,
Ak-Chin Health Education Department

Everyone walking down West Vekol Road leisurely make their way towards finishing the first walk of the year.

These three take a time out for some selfies before the 5K.

Auntie Brianna carries niece Ariel all the way through the course.

Chairman Robert Miguel and Marlene Garcia motivate one another for the 5K.

Everyone waits at the starting line to listen as a few words were said before the 5K walk/run was given the READY, SET, GO!

REMINDER

The next Runner submission deadline will be **FRIDAY January 25TH**

If you have a student-athlete from Ak-Chin participating in an upcoming event and would like them covered in future editions of the Runner, please let us know!

A TIP FROM A FORMER SMOKER

Some of the reasons to quit smoking are very small.

Amanda, age 30, Wisconsin

Amanda smoked while she was pregnant. Her baby was born 2 months early and weighed only 3 pounds. She was put in an incubator and fed through a tube. Amanda could only hold her twice a day. If you're pregnant or thinking about having a baby and you smoke, please call

1-800-QUIT-NOW.

ROADWAY TO SAFER TRIBAL COMMUNITIES

BUCKLE UP!

Every Person, Every Seat, Every Time.

The Facts

- ◆ American Indians and Alaska Natives are more at risk for getting injured or killed in a car crash than other Americans.¹
- ◆ Three out of every four passengers who died in car crashes on reservations were not wearing seat belts at the time of the crash.²
- ◆ Seat belts reduce the risk of serious injury and death in a crash by about half.³

Help Keep Yourself and Your Loved Ones Safe

You can help keep yourself and your loved ones safe by:

- ◆ Wearing a seat belt every time you ride in a car.
- ◆ Buckling up the right way.
 - The lap belt goes across the hips, below the stomach.
 - The shoulder belt goes across the middle of the chest and over the shoulder.
 - Never put the shoulder belt behind your back or under your arm.
- ◆ Always wearing a seat belt even when the car or truck has air bags.
- ◆ Never riding in the bed of a truck.
- ◆ Never using a seat belt to buckle more than one person at a time.

Righteous Brothers Bring Favorite Hits to Harrah's Ak-Chin Casino

Bucky Heard (left) and Bill Medley (right) to headline first concert in the all new Harrah's Ak-Chin Concert Venue.

The Righteous Brothers, the Rock and Roll Hall of Fame duo, will be headlining the first concert in the all new Harrah's Ak-Chin Concert Venue, Saturday, March 23 at 8 pm.

including the most played song in radio history, You've Lost That Lovin' Feelin', Bill Medley and Bobby Hatfield topped the charts in four decades. After Bobby's death in 2003, Bill Medley continued to perform to sold-out

crowds around the world, but when fans and friends pleaded with him to keep The Righteous Brothers alive; he approached Bucky Heard to recreate the magic of the original duo.

The concert experience features their biggest hits – Lovin' Feelin', Soul & Inspiration, Unchained Melody, Rock and Roll Heaven, Medley's Grammy-winning Dirty Dancing theme The Time of My Life, and much, much more.

Bill Medley is truly one of the iconic figures in American music history. His instantly recognizable baritone voice has anchored some of the biggest recordings of all time. He's won a Grammy, an Oscar, a Golden Globe, and an American Music Award.

Bucky Heard has been one of the most popular and versatile performers in America for several years, headlining countless shows in major venues. His reputation as

a gutsy rock and roll singer, with an incredible vocal range, has garnered much critical praise and a legion of fans.

The Harrah's Ak-Chin Concert Venue seats 2,000 and is part of the property's multi-million dollar expansion. The Righteous Brothers will be the first open-to-the-public concert in this new venue.
